TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion.
2. Closing date for this sale is Saturday, February 12, 1994 at 8:00 P.M. (EST).
3. Bidders who are unknown to us are requested to supply two (2) bank or trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.
4. A ten percent (10%) Buyer's Fee will be added to each lot won. A packing charge of fifty cents per lot (minimum \$2.00) plus shipping charges also will be added.
5. TERMS: Strictly cash, payable in U.S. funds. Payment is due upon notification of successful bids. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.
6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.
7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar (\$1.00) for those persons who are not bidders.
8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within three days after receipt of lots purchased.
9. All books are as described. Any errors or typographical mistakes will be happily corrected.
10. A Florida 7% Sales Tax will be added to all lots delivered within Florida, unless a valid resale number is on file with us.
11. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition. A "plus" (+) sign is used to denote that the contents of a publication is in better condition than the covers, as is the case in many instances.
12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.
13. Invoices are payable upon receipt and a late charge of \$1.50 will be added to delinquent accounts.

This lot is a complete run of 82 issues of this excellent publication. The very very scarce #24A and the elusive #78 are included. The name "Rare Coin Review" began with issue #10 of Vol.III and has been in continuous use ever since. The format features wonderful articles and informational tidbits. In addition to Dave Bowers, there has been a stellar lineup of contributors packing these many pages with a storehouse of fact and fancy. Nos.10 through 73 are housed in six of the same **custom-made navy slipcases** that appear in lot A25 of this catalog, making for a very secure storage medium. All issues are in very nice condition and will make a magnificent addition to the most discriminating collector's library.
